

CITY OF POQUOSON

FINANCE DEPARTMENT

500 CITY HALL AVENUE, POQUOSON, VIRGINIA 23662-1996

March 25, 2019

TO: City Council

THROUGH: Randy Wheeler, City Manager

FROM: Tonya O'Connell, Finance Director
Tom Jones, Director of Public Works

SUBJECT: Public Works – Debris and Dump Truck Purchase

At the February 25, 2019 City Council meeting, Ordinance No. 1605 was approved appropriating bond proceeds-related interest earnings to the Capital Projects Fund for four projects, including the replacement of two Public Works Department vehicles. Public Works Department received proposals for both the Debris Truck and Dump Truck through cooperative purchasing agreements. The agreements provide access to local and national competitive solicitations as compared to the stand alone procurement process.

After reviewing the proposal for the debris truck, it is the recommendation of Public Works Department to purchase a 2020 Freightliner Conventional Chassis with Model T base loader and trash body from Virginia Public Works Equipment through the cooperative purchasing agreement established with National Joint Powers Alliance Contract 041217-P11. The total cost of the debris truck including a warranty of the engine and transmission is \$156,108.

It is the recommendation of Public Works Department after reviewing the proposal for the dump truck to purchase a 2020 Freightliner M2-106 Conventional Chassis with a special 10' Godwin 600U with Plow and V-box Spreader from Houston Freightliner through the cooperative purchasing agreement established by the Houston-Galveston Area Council Contract HT06-18. The total cost of the dump truck including a warranty of the engine and transmission is \$145,662.

Attached for consideration is a resolution authorizing the City Manager to enter into a contract with both Virginia Public Works Equipment for the debris truck and Houston Freightliner for the dump truck.

RESOLUTION NO. _____

**A RESOLUTION TO AUTHORIZE THE CITY MANAGER TO ENTER INTO
CONTRACTS WITH VIRGINIA PUBLIC WORKS EQUIPMENT AND HOUSTON
FREIGHTLINER**

WHEREAS, the City has determined the necessity of a new debris truck and dump truck for the continuing protection and safety of its citizens; and

WHEREAS, the City has designated capital project funds of \$301,770 from interest earnings on funds held in the Virginia SNAP account; and

WHEREAS, the City through cooperative purchasing agreements with National Joint Powers Alliance (Contract 041217-PII) and Houston-Galveston Area Council Contract (HT06-18) intend to purchase the debris truck and dump truck; and

WHEREAS, the proposals were reviewed by the Public Works Department to determine the appropriate debris truck and dump truck that will fill the need of the community; and

WHEREAS, the recommendation to the City Manager based on the requirements of the Public Works Department is to purchase a 2020 Freightliner Conventional Chassis with Model T base loader and trash body with a cost of \$156,108; and

WHEREAS, the recommendation to the City Manager based on the requirements of the Public Works Department is to purchase a 2020 Freightliner M2-106 Conventional Chassis with a special 10' Godwin 600U with Plow and V-box Spreader with a cost of \$145,662.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Poquoson, Virginia:

Section 1: That the City Manager is hereby authorized to do all things necessary to enter into a contract with Virginia Public Works Equipment to purchase a 2020 Freightliner Conventional Chassis with Model T base loader and trash body.

Section 2: That the City Manager is hereby authorized to do all things necessary to enter into a contract with Houston Freightliner to purchase a 2020 Freightliner M2-106 Conventional Chassis with a special 10' Godwin 600U with Plow and V-box Spreader.

Section 3: That this resolution shall become effective immediately upon adoption.
