

CITY OF POQUOSON

FINANCE DEPARTMENT

500 CITY HALL AVENUE, POQUOSON, VIRGINIA 23662-1996

July 22, 2019

TO: City Council

THROUGH: Randy Wheeler, City Manager

FROM: Tonya O'Connell, Finance Director
Tom Jones, Director of Public Works

SUBJECT: Public Works – Debris Truck Purchase

At the May 13, 2019 City Council meeting, Ordinance No. 1619 was approved appropriating the budget for Fiscal Year 2020. In the Solid Waste Fund, the budget included a purchase of a second debris truck. In March 25, 2019, City Council Resolution 5075 approved the purchase of the first debris truck which utilized bond interest earnings. The second debris truck will utilize the Solid Waste Fund fund balance.

It is the recommendation of Public Works Department to purchase a 2020 Freightliner Conventional Chassis with Model T base loader and trash body from Virginia Public Works Equipment through the cooperative purchasing agreement established with National Joint Powers Alliance Contract 041217-P11. The debris truck will be identical to the one the City entered into contract to purchase on April 2, 2019. The total cost of the debris truck including a warranty of the engine and transmission is \$156,108.

Attached for consideration is a resolution authorizing the City Manager to enter into a contract with Virginia Public Works Equipment for the debris truck. The Public Works Department anticipates the delivery of the first truck in August of 2019.

RESOLUTION NO. _____

**A RESOLUTION TO AUTHORIZE THE CITY MANAGER TO ENTER INTO
CONTRACT WITH VIRGINIA PUBLIC WORKS EQUIPMENT**

Whereas, the City has determined the necessity of a new debris truck for the continuing protection and safety of its citizens; and

WHEREAS, the City based on the Fiscal Year 2020 budget for Solid Waste Fund included a purchase of a debris truck utilizing the fund balance of Solid Waste Fund; and

WHEREAS, the City through cooperative purchasing agreements with National Joint Powers Alliance (Contract 041217-PII) intend to purchase the debris truck; and

WHEREAS, the proposals were reviewed by the Public Works Department to determine the appropriate debris truck that will fit the need of the community and

WHEREAS, the recommendation to the City Manager based on the requirements of the Public Works Department is to purchase a 2020 Freightliner Conventional Chassis with Model T base loader and trash body with a cost of \$156,108

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Poquoson, Virginia:

Section 1: That the City Manager is hereby authorized to do all things necessary to enter into a contract with Virginia Public Works Equipment to purchase a 2020 Freightliner Conventional Chassis with Model T base loader and trash body.

Section 2: That this resolution shall become effective immediately upon adoption.
