- 1) This permit is for stockpiling only. An Erosion and Sediment Control Plan must be submitted to the Engineering Department for approval before any land disturbing activity can be started. No person shall engage in any land disturbing activity until the plan has been approved and an Erosion and Sediment Control Permit has been obtained.
- 2) All stockpiling must be performed in accordance with Section 3.30 of the Virginia Erosion and Sediment Control Handbook.
- 3) Should the stockpile remain undisturbed for more than 7 days temporary seed shall be applied for stabilization.
- 4) Once all topsoil/fill material has been stockpiled the pile must be permanently stabilized with vegetation and the City of Poquoson must be notified for final inspection.
- 5) Dust control must be maintained on the project. Should dust become a problem, the City of Poquoson reserves the right to require additional measures.

I, (landowner) _____, hereby certify that I fully understand the provisions of the City of Poquoson Erosion and Sediment Control Ordinance and Program, and that I accept responsibility for carrying out the requirements of the Stockpiling Permit for the above-referenced project as approved.

I, (landowner) _____, also certify that I will allow the City's inspector on my private property to perform any inspections related to this permit that the City deems necessary.

The following apply to all permits:

1. **ISSUANCE OF THIS PERMIT DOES NOT INDICATE THE ABSENCE OF WETLANDS ON THIS PROPERTY. IT IS THE APPLICANT'S RESPONSIBILITY TO HAVE THE SITE INSPECTED FOR TIDAL AND NON-TIDAL WETLANDS, AND TO PROTECT ANY WETLANDS THAT MAY BE PRESENT ON SITE.**
2. All projects shall conform to the laws of Virginia and the standards, specifications and other criteria adopted by the City of Poquoson unless a variance has been granted in writing by this locality.
3. A copy of this permit must be kept on the work site and shown on request.
4. The City of Poquoson must be notified when work commences and when the project is completed.
5. Other work (grading, excavating) on the project shall not commence until the appropriate Erosion and Sediment Control Permit(s) are obtained.
6. This stockpiling permit may be revoked, should the City determine that the project is not in compliance with the conditions of the approved plan.

I, (landowner) _____, certify that I have read and understand the above requirements of this permit.

Section 34-75(e) of the City of Poquoson's Erosion and Sediment Control Ordinance allows for a Performance Guarantee to be posted with the City in the amount determined by the Program Administrator. Such Performance Guarantee shall be conditioned to conform any work to approved standards and specification as specified in the approved Stockpiling Plan.

Final inspection of the project shall be made by the Program Administrator or designated agent. The release of any Performance Guarantee is contingent upon the findings of such inspection. Release of the Performance Guarantee shall occur within 60 days after the project site is deemed adequately stabilized by the Program Administrator. The amount of such Performance Guarantee is hereby set at \$ _____.
