July 1, 2024

TO: Engineers/Developers/Surveyors
FROM: City of Poquoson Engineering
SUBJECT: Single Family Home Submission Criteria

Under the City of Poquoson Ordinance, Section 34-75 (g) the following will be required for all single-family home submissions. Single-family homes that are not part of a common plan of development with an already approved stormwater plan; when submitted along with an agreement in lieu of a plan, the submittal shall include both the existing and the proposed final grades of the parcel. Direction flow paths of stormwater shall also be included along with any stormwater features that are required to meet the water quantity technical criteria outlined in 9VAC25-875-600(D) of the Virginia Law.

Sincerely,

A handwritten signature in black ink, appearing to read "Sean Crawford".
