

NEW BULK DEBRIS SERVICES COMING SOON

Effective 7/1/25, the City of Poquoson Public Works Department will offer a new program to provide residents who pay for City Solid Waste Services with bulk debris and landscape disposal services twice a month, one pickup at their home and one trip to the York County Transfer Station. Unlimited landscape disposal at the VPPSA Compost Facility will also be available at no charge. With this new program, the Convenience Site behind City Hall will no longer be in service.

Pickup days will be scheduled each month by precinct as follows:

1st Tuesday: Western

2nd Tuesday: Central

3rd Tuesday: Eastern

Bulk Debris/Landscape Piles Should Be:

- ✓ Compiled on owner's property by 7AM
- ✓ Not blocking the right of way/not in the road or ditch
- ✓ 3 feet of clearance around the pile, mindful of overhead clearance for the grapple truck
- ✓ Landscape debris should be piled separately from all other bulk debris
- ✓ Piles should be no larger than 6 cubic yards

Pickups that are requested outside of the normal scheduled week for your precinct are allowed, but will incur a charge of \$63.

ADDITIONAL SERVICES

- Trips to the York County Transfer Station will be allowed for free once a month.
- Yard debris can be taken to the VPPSA Compost Facility also at no charge.
- Proof of name and residency will be required, such as an ID or utility bill.
- Both facilities are located at 145 Goodwin Neck Road.
- Visit <https://vppsa.org/compost-facility/> for a list of items accepted at the VPPSA facility and the City's solid waste webpage for a PDF listing of items accepted at the York County Landfill.

For questions or more information about the bulk debris program contact Public Works at 757-868-3598 or visit the Solid Waste webpage at www.poquoson-va.gov.
